

## **Nick Sellers**

**Chief Operating Officer/Principal Deputy Director**

**McCrary Institute for Cyber and Critical  
Infrastructure at Auburn University**

Nick Sellers is Associate Director and Chief Operating Officer at the McCrary Institute for Cyber and Critical Infrastructure Security. In this role, he oversees the day-to-day execution of all McCrary Institute efforts including Applied Research & Services, Policy & Partnerships, Communications & Media and Finance & Administration. A 20-year veteran of the energy and electric utility industry, Nick joined Alabama Power in 2003 where he held executive management positions both at Alabama Power and Southern Company including leadership of Business Origination, Project Management & Construction, Division Vice President, and Vice President of External & Regulatory Affairs. He also served as CEO of The World Games 2022 in Birmingham. Prior experience includes serving as Senior Advisor for Policy & Economic Development to the Governor of Alabama. After earning his undergraduate from the University of the Pacific in Stockton, California, Sellers went on to earn his Juris Doctor from the Birmingham School of Law.
